RE: Correction to Adoption of Rules
SOS Tracking No. 2014-00700

Dear Ms. Young:

I have reviewed your inquiry regarding the error made in the Rules of the Colorado Passenger Tramway Safety Board ("Board") adopted on May 7, 2014 and submitted to the Secretary of State on or about the same date. It is my opinion that the error in the rules as filed by the Board in Rule 5.1.2.8.2, a typographical spelling error, is a non-substantive error. The title of that rule currently reads: "Hall rope terminal sheaves (Bullwheel and deflection sheaves)". It should read: "Haul rope terminal sheaves (Bullwheel and deflection sheaves)". This is a non-substantive error and is correctable under section 24-4-103(11)(d)(II), C.R.S. Correcting the error by submitting the correct version of Rule 5.1.2.8.2 does not change the substantive content of the regulations, nor does it change the actual effective date of the regulations. Since the correction of this error does not change the substantive content of the regulation, it does not change the previous Attorney General opinion that this regulation is legal and constitutional. Please contact me if you need further information or review.

Sincerely,

FOR THE ATTORNEY GENERAL
