RE: Correction to 2 CCR 404-1, Tracking Number 2015-00330

Dear Ms. Maiolo:

On July 20, 2015 amendments to 2 CCR 404-1 were adopted by the Colorado Oil and Gas Conservation Commission, and pursuant to § 24-4-103(11)(d), C.R.S., the amended regulation, together with the Attorney General's opinion, was submitted to the Secretary of State within 20 days of promulgation under Tracking Number 2014-00330. Since then we have discovered an error within that filing that we would like to correct.

Pursuant to the rulemaking provisions of the Colorado Administrative Procedure Act, typographical and other nonsubstantive errors may be corrected upon submission of a request by the agency. § 24-4-103(11)(d)(II), C.R.S.

The following error is corrected under Tracking Number 2015-00675:

Section 522.e(2)A.iii contains the following language: "The Commission sets an OFV hearing pursuant to 522.b.(6)**B.i.**"

The reference to 522.b.(6)**B.i.** is an error. This section does not exist in the rule.

Please correct the language for Section 522.e(2)A.iii to read: "The Commission sets an OFV hearing pursuant to 522.b.(6)**C.i.**"

In accordance with § 24-4-103(11)(d)(II), I have reviewed this error and have determined that it is typographical or nonsubstantive.

Sincerely,

FOR THE ATTORNEY GENERAL
