RE: Tracking Number: 2015-00684
Revision to Division of Central Services Rules
Rules 3.00 through 7.0, 1 CCR 103-1

Dear Mr. Williams:

I have reviewed the corrections to the accompanying Rules 3.00 through 7.0, and determined that the matters being corrected are nonsubstantive errors, and that the corrections are necessary to insure that the published rules and corresponding opinion conform to the adopted rules, pursuant to section 24-4-103(11)(d), C.R.S. (2015).

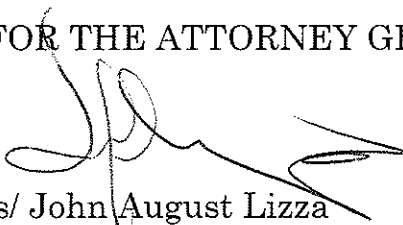

The corrections address page identifiers, placed in error within the rules, adopted September 8, 2015, submitted under Tracking Number 2015-00495, specifically:

The eighteen different page identifiers were included in rule text between rules 3.00 and 7.0. Those page identifiers, placed in error, have been removed.

Please do not hesitate to contact me if I may be of further assistance.

Sincerely,

FOR THE ATTORNEY GENERAL

A handwritten signature in black ink, appearing to read 'J. Lizza', with a long horizontal flourish extending to the right.
