RE: Request for an Attorney General Correction Letter for the effective date of the Rules and Regulations Governing the Measurement of Ground Water Diversions Located in the Republican River Basin within Water Division No. 1, 2 CCR 402-16.

TRACKING NUMBER: 2015-00685

Dear Deanna:

This letter responds to the request for a correction letter submitted to your office on October 9, 2015. These Rules contained an error in the effective date. The error has been corrected. I have reviewed the corrected Rules, and it is my legal opinion that the Rules set forth a non-substantive correction to the Rules and Regulations Governing the Measurement of Ground Water Diversions Located in the Republican River Basin within Water Division No. 1.

Sincerely,

FOR THE ATTORNEY GENERAL
