RE: Correction to 1 CCR 204-10, Rule 5  
Amendments to Rules of Fleet Registration Programs  
Tracking Number: 2015-00678

Dear Ms. Maiolo:

Pursuant to section 24-4-103(11)(d)(II), C.R.S. (2015), the following corrections to the above referenced rule are not substantive changes but corrections to errors that occurred in the filing process.

The specific corrections address typographical errors found in the rule adopted December 16, 2015. The corrections correct the numbering in section 2.0, which was inadvertently not numbered, and the following subsections within section 2.0 which are nonsubstantive and miss-numbered in error:

**2.0 Fleet Vehicle Programs and Participation Requirements**

~~4.3~~ 2.1 Fleet vehicle programs are as follows:

- a. Colorado Fleet Registration Program: The CFRP program is available to fleet operators that request a common expiration month for their fleet vehicles. Under this program, each fleet vehicle must display a Fleet License Plate. The same expiration month applies for all vehicles in the fleet.
- b. Colorado Standard Fleet Program: The CSFP program is available to fleet operators that request a common registration expiration month for their fleet vehicles, without requiring Fleet License Plates. Under this program, the fleet operator is required to update the Colorado registration receipt and license plate month and year tabs on each fleet vehicle annually. The same expiration month applies for all vehicles in the fleet.

~~4.4~~ 2.2 A fleet operator may apply to participate in one or both of the fleet vehicle programs. The fleet operator must meet and maintain the minimum vehicle number requirement for each separate fleet vehicle program.

Please do not hesitate to contact me if I may be of further assistance.

Sincerely,  
FOR THE ATTORNEY GENERAL

RANDALL J. CHERRY
