RE: Correction Request Tracking No. 2016-00138

Dear Secretary of State Williams:

On May 15, 2014, the Colorado Department of Public Health and Environment ("CDPHE") submitted SOS tracking #2014-00477, Proposed Amendments to Part 17 of 6 CCR 1007-1 – Rules and Regulations Pertaining to Radiation Control, Transportation of Radioactive Material. At the rulemaking hearing in April 2014, the board adopted changes to Table 17A1. Due to a formatting error, the adopted packet submitted to the Secretary of State had "See Table 17A," rather than "See Table 17A4."

On March 15, 2016, CDPHE requested an administrative change to SOS tracking #2014-00477 in order to correct the entry to read "See Table 17A4" to mirror what the Board of Health adopted. A correct version has been submitted.

This correction is technical and non-substantive in nature and is submitted to you for publishing in the CCR pursuant to C.R.S. § 24-4-103 of the State Administrative Procedure Act.

Please contact me at 720-508-6145 if you require further information. Thank you for your assistance.

Sincerely,

FOR THE ATTORNEY GENERAL
