RE: Correction to Adoption of Rules  
SOS Tracking No. 2017-00116

Dear Ms. Young:

I have reviewed your inquiry regarding the error made in the Rules of Board of Licensure for Architects, Professional Engineers, and Professional Land Surveyors ("Board") adopted on January 13, 2017 and submitted to the Secretary of State on or about the same date. It is my opinion that the error in the rules as filed by the Board in Rules 4.9.1, 4.9.2, and their subsections is non-substantive. The error is a simple typeface error, in that amended text of the rules was shown in small capital letters. This is a non-substantive error and is correctable under section 24-4-103(11)(d)(II), C.R.S. Correcting the error by submitting the correct version of Rules 4.9.1 and 4.9.2 does not change the substantive content of the regulations, nor does it change the actual effective date of the regulations. Since the correction of this error does not change the substantive content of the regulation, it does not change the previous Attorney General opinion that this regulation is legal and constitutional. Please contact me if you need further information or review.

Sincerely,

FOR THE ATTORNEY GENERAL
