RE: Tracking Number 2017-00489
Revision to Public Utilities Commission Rules Regulating
Telecommunications Services and Providers of Telecommunications Services
Rule 2103(c), 4 CCR 723-2

Dear Mr. Williams:

I have reviewed the correction to the accompanying Rule 2103(c) and determined that the matter being corrected is a nonsubstantive error and that the correction is necessary to insure that the published rule and corresponding opinion conform to the adopted rule, pursuant to section 24-4-103(11)(d)(II), C.R.S. (2017)

The correction addresses an editing error in the rule, adopted July 3, 2017, submitted under Tracking Number 2016-00322. The correction should replace (VII) with (VIII) and (XV) with (XVI), to read:

(c) If an applicant is requesting a LOR for switched access services, its application shall include the information required by subparagraphs (a)(I)-(VIII) and (XIII)-(XVI).

Please do not hesitate to contact me if I may be of further assistance.

Sincerely,

FOR THE ATTORNEY GENERAL

/s/ Jessica L. Lowrey
