RE: Corrections to Adoption of Rules  
SOS Tracking No. 2018-00337

Dear Ms. Duran:

I have reviewed your inquiry regarding the error made in the Rules of the Colorado Commission of Combative Sports ("Commission") adopted on April 12, 2018 and submitted to the Secretary of State on or about the same date. It is my opinion that the errors in the rules as filed by the Commission in the Rules are non-substantive. Although numerous, the errors are simple and minor (generally consisting of spelling errors, "and" used instead of "or," unnecessary extra words, and missing punctuation). These are non-substantive errors and are correctable under section 24-4-103(11)(d)(II), C.R.S. Correcting the errors by submitting the correct version of the Rules does not change the substantive content of the regulations, nor does it change the actual effective date of the regulations. Since the correction of these errors does not change the substantive content of the regulation, it does not change the previous Attorney General opinion that the regulations are legal and constitutional. Please contact me if you need further information or review.

Sincerely,

FOR THE ATTORNEY GENERAL
