RE: Tracking Number: 2018-00409  
Revision to Regulations Concerning Employment Security  
Rule 7.2.4.1, 7 CCR 1101-2

Dear Mr. Williams:

I have reviewed the correction to the accompanying Rule 7.2.4.1 and determined that the matter being corrected is a nonsubstantive error, and that the correction is necessary to insure that the published rule and corresponding opinion conform to the adopted rule, pursuant to section 24-4-103(11)(d), C.R.S. (2017).

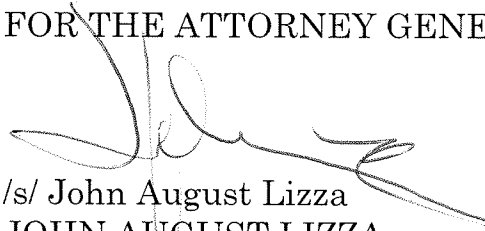

The correction addresses a typographical error in the rule, adopted July 25, 2018, submitted under Tracking Number 2018-00269, specifically:

The word "no" should be replaced with the word "not" in the sentence that should read in part: "...the reports due under this paragraph will be considered timely if postmarked or received in person or electronically on the next business day that is not a Saturday, Sunday or legal holiday."

Please do not hesitate to contact me if I may be of further assistance.

Sincerely,

FOR THE ATTORNEY GENERAL
