RE: Correction to Regulation 3 CCR 719-1
Tracking No. 2018-00253 (Correction Tracking No. 2018-00449)

Dear Ms. Maiolo:

I am providing this correction letter on behalf of the State Board of Pharmacy ("Board") regarding Board Rule 21.00.20. Amendments to this rule were properly noticed and voted upon after receiving public comment. The proposed changes were accepted as written. When the adopted rules were provided to the Secretary of State for publication under tracking number 2018-00253, the un-amended portion of Rule 21.00.20 was inadvertently omitted, thereby removing 21.00.20(e) through 21.00.20(i). These portions of the Rule were to remain unchanged and included consistent with the notice and vote of the Board.

Additionally, the adopted rules contained an error in lettering, in the nature of a scrivener's error, in the lettering of the amendment to Rule 21.00.20 d. ii. The lettering has been corrected.

In accordance with § 24-4-103(11)(d)(II), C.R.S., I have reviewed the above corrections to Rule 21.00.20 and have determined that they are non-substantive.

Sincerely,

FOR THE ATTORNEY GENERAL
