RE: Correction Request Tracking No. 2018-00663

Dear Secretary of State Williams:

On August 20, 2018, the Colorado Department of Public Health and Environment ("CDPHE") submitted SOS Tracking No. 2018-00410, Proposed Amendments to 6 CCR 1015-4, Chap. 3, Statewide Emergency Medical and Trauma Care System. At the rulemaking hearing on October 18, 2018, the board adopted the proposed rule.

It has come to CDPHE's attention that the proposed rule contains an error in numbering found at Rule 306, Section 2. New language was inserted between Section 1 and Section 2 causing subsequent paragraphs to shift in their numbering. The previous Section 2 was titled "Mandatory Transfers and Consideration for Transfer" and was appropriately renumbered as Section 3, but the subsequent paragraphs were not appropriately renumbered following the insertion. The rulemaking packet incorrectly indicated that subsequent sections were not being revised. The corrections should be as follows:

- "Expanded Scope Required Resources" should be renumbered as Section 4; and,
- "Performance Improvement and Patient Safety" should be renumbered as Section 5.

On December 7, 2018, CDPHE requested an administrative change to SOS Tracking No. 2018-00410 in order to correct the errors designated above. A corrected version has been submitted.

This correction is technical and non-substantive in nature and is submitted to you for publishing in the C.C.R. pursuant to C.R.S. § 24-4-103(11)(d)(II) of the State Administrative Procedure Act.

Please contact me at 720-508-6145 if you require further information. Thank you for your assistance.

Sincerely,

FOR THE ATTORNEY GENERAL
