RE: Revision to 2506 Food Assistance Program, Rule Manual Volume 4B, Food Assistance
500, 1008, 2500 Department of Human Services
10 CCR 2506-1
SOS Correction Tracking Number 2019-00527

Dear Ms. Griswold,

I have reviewed the correction to the accompanying rule revisions and determined that the matter being corrected is a nonsubstantive error and that the correction is necessary to insure that the published rule and the corresponding opinion conform to the adopted rules, pursuant to §§ 26-2-114(1) and 26-2-119(1)(b)(I) C.R.S. (2019).

The correction addresses rule revisions to SOS Tracking Number 2019-00216. This correction addresses a technical correction due to a typographical error filed with the Secretary of State. The correction is nonsubstantive because the State Board of Human Services, as well as the Attorney General's office in the corresponding opinion, relied on the correct documents.

Sincerely,

FOR THE ATTORNEY GENERAL

/s/ Ann Pogue
