RE: Correction Request Tracking No. 2020-00156

Dear Secretary of State Griswold:

On November 14, 2019, the Colorado State Board of Education (“SBE”) adopted a new set of rules, 1 CCR 301-110, Rules for the High School Innovative Learning Pilot Program (SOS Tracking No. 2019-00519).

It has come to the SBE’s attention that the rules as filed with the Secretary of State contain a scrivener’s error. Specifically, there was a typographical error in a cross reference contained in Rule 2.07(1). The corrected rule should be as follows:

2.07(1)A rural local education provider also includes a district charter school authorized by a school district described in Rule 2.07 or an institute charter school that is located within the geographic boundaries of a school district described in Rule 2.07.

On March 26th, 2020, SBE requested an a correction letter request via SOS tracking number 2020-00156 to correct the error designated above. SBE has submitted a corrected version of the Rules.

This correction is technical and non-substantive in nature and is submitted to you for publishing in the C.C.R. pursuant to C.R.S. § 24-4-103(11)(d)(II) of the State Administrative Procedure Act.

Please contact me at 520-471-2349 if you require further information.
Thank you for your assistance.

Sincerely,

FOR THE ATTORNEY GENERAL
