RE: Correction to Regulation 20-E-01, 3 CCR 702-4, Series 4-2  
Correction Request Tracking No. 2020-00224  
Original Tracking No. 2020-00139 (Administrative Change 2020-00203)

Dear Ms. Griswold:

I am providing this correction letter on behalf of the Colorado Division of Insurance regarding Emergency Regulation 20-E-01. Section 5.B.2. of the Regulation has been corrected to read as follows: “The requirements of Section 5.B. do not apply to prescription drugs with a high likelihood of abuse, such as opioids” (emphasis added). This corrects a typographical error that originally appeared in the Regulation as follows: “The requirements of Section 5.C. do not apply to prescription drugs with a high likelihood of abuse, such as opioids” (emphasis added). In accordance with C.R.S. § 24-4-103(11)(d)(II), I have reviewed the above rule correction and have determined that it is non-substantive.

Sincerely,

FOR THE ATTORNEY GENERAL

/s/ Kyle McDaniel
