RE: Social Services Rules (Volume 7; Child Welfare, Child Care Facilities)
500, 1008, 2500 Department of Human Services
12 CCR 2509-1
SOS Correction Tracking Number 2020-00756

Dear Ms. Griswold,

I have reviewed the correction to the accompanying rule revisions and determined that the matter being corrected is a nonsubstantive error and that the correction is necessary to insure that the published rule and the corresponding opinion conform to the adopted rules, pursuant to sections 19-3-308(1)(a) and (4.5)(a) C.R. S. (2019).

Existing rule includes a formatting error for the definition of "Moderate neglect" within "7.000.2 DEFINITIONS." This correction addresses incorrect documents filed with the Secretary of State. The correction is nonsubstantive because it addresses only the formatting of the rule without changing the substance.

Sincerely,

FOR THE ATTORNEY GENERAL
