RE: Correction to Peace Officer Standards and Training Board, 4 CCR 901-1,
Rule Correction; SOS Tracking No. 2020-00867

Dear Ms. Secretary:

Pursuant to section 24-4-103(11)(d)(II), C.R.S., the P.O.S.T. Board Director within the Colorado Department of Law requests nonsubstantive corrections to 4 CCR 901-1, P.O.S.T. Board Rule 14, Tracking No. 2020-00867, to fix a “numbering sequence issue” in section (d), and to reinsert sections (f) and (g) with their corresponding subsections inadvertently removed during the rulemaking process. Sections (f) and (g) were not redlined and therefore, there was no intention to remove them from the rule. Concerning section (d), the correct “numbering sequence” should read (d)(I), (II), (III), and (IV), as to the corresponding paragraphs/subsections, rather than as presented to the Secretary of State in the final, adopted “clean” version.

I submit that section 24-4-103(11)(d)(II), C.R.S., applies to these non-substantive rule changes and request that the Secretary of State make the changes requested relating to Tracking No. 2020-00867.

Sincerely,

FOR THE ATTORNEY GENERAL

/s/ Colleen E. Morey
