RE: Correction Request Tracking No. 2021-00155

Dear Secretary of State Griswold:

On September 25, 2019, the Colorado Department of Public Health and Environment (“CDPHE”) submitted SOS Tracking No. 2019-00555, Amendments to 6 C.C.R. 1007-1, Part 6, X-ray Imaging in the Healing Arts. The Board of Health adopted the proposed permanent rule on November 20, 2019.

It has come to CDPHE’s attention that the adopted rule filed under this tracking number contains a minor typographical error. Appendix 6I of the current rule has a table that is missing the descriptive legend just below the bottom of the table. The Board adopted the rule with the legend present on the table, but the legend was not included in the published version. The corrected version includes the legend in the table as approved by the Board. This is not a substantive change and correcting this error improves clarity for readers.

On March 4, 2021, CDPHE requested an administrative change to SOS Tracking No. 2019-00555 in order to correct the error designated above. A corrected version has been submitted.

This correction is technical and non-substantive in nature and is submitted to you for publishing in the C.C.R. pursuant to C.R.S. § 24-4-103(11)(d)(II) of the State Administrative Procedure Act.

Please contact me at 720-508-6145 if you require further information. Thank you for your assistance.

Sincerely,

FOR THE ATTORNEY GENERAL
