Re: Correction Letter for 2 CCR 601-25, Effective April 30, 2021 (Tracking Number 2021-00568) - Rules Governing the Suspension or Revocation of Permits for the Transportation of Hazardous and Nuclear Materials by Motor Vehicle

Dear Ms. Maiolo:

CDOT's Rules Governing the Suspension or Revocation of Permits for the Transportation of Hazardous and Nuclear Materials became effective April 30, 2021. In reviewing the published version of 2 CCR 601-25, the Department realized that the statutory reference in Rules 3.5.E and 4.2 needed to be corrected to change the reference from section 43-1-106, C.R.S., to section 43-1-105(6), C.R.S., and submitted a correction. I have reviewed the requested correction and have determined that it addresses a nonsubstantive error, as permitted by section 24-4-103(11)(d), C.R.S.

Language showing the correct statutory references is attached. Thank you for your review of this correction filing. Please do not hesitate to call me with any questions.

Sincerely,

FOR THE ATTORNEY GENERAL
