RE: SOS Correction Tracking Number 2021-00752
2503 - Income Maintenance (Volume 7)
500, 1008, 2500 Department of Human Services
Correction of Typographical Error

Dear Ms. Griswold,

I have reviewed the correction to the accompanying rule and determined that the matter being corrected is a non-substantive error that occurred after adoption, during preparation of the rule for publication, and that the correction is necessary to ensure that the published rule and the corresponding opinion conform to the adopted rules, pursuant to section 24-4-103(11)(d)(II) C.R.S. (2021).

The correction addresses an editing error in the rule, adopted on October 8, 2021 submitted under tracking Number 2021-00478. In preparing the adopted rule for publication, a citation error was noted in the Program Definitions section 3.601. The definition of "Guardian" inadvertently cited to 15-14-102(4), C.R.S., instead of the correct citation of 26-2-703(10.2), C.R.S. The correction is technical and non-substantive in nature because it changes the citation without changing the substance of the rule.

Sincerely,

FOR THE ATTORNEY GENERAL

/s/ Virginia Carreno
