RE: Tracking Number: 2022-00042
Revision to Workers' Compensation Rules of Procedure with Treatment
Guidelines
Rule 18-10, 7 CCR 1101-3

Dear Ms. Griswold:

I have reviewed the correction to the accompanying Rule 18-10 and determined that the matter being corrected is a nonsubstantive error, and that the correction is necessary to insure that the published rule and corresponding opinion conform to the adopted rule, pursuant to section 24-4-103(11)(d), C.R.S. (2021).

The correction addresses a typographical error in which an extra digit was added to the dollar amount in a table on page 60 of the rule, adopted September 15, 2021, submitted under Tracking Number 2021-00426, specifically:

The dollar amount in the second column, second line of the table on page 60 of Rule 18-10 currently listed as \$1,8157 should be \$1,815.

Please do not hesitate to contact me if I may be of further assistance.

Sincerely,

FOR THE ATTORNEY GENERAL

/s/ John August Lizza
