RE: Tracking Number: 2022-00044
Revision to Workers' Compensation Rules of Procedure with Treatment
Guidelines
Rule 17, Exhibit 1, 7 CCR 1101-3

Dear Ms. Griswold:

I have reviewed the corrections to the accompanying Rule 17, Exhibit 1, and determined that the matters being corrected are nonsubstantive errors, and that the corrections are necessary to insure that the published rule and corresponding opinion conform to the adopted rule, pursuant to section 24-4-103(11)(d), C.R.S. (2021).

The corrections address a failure to include the revised date and effective date on the cover sheet of the rule, adopted December 20, 2021, submitted under Tracking Number 2021-00650, specifically:

The cover sheet of Rule 17, Exhibit 1, currently shows the revised and effective dates as "Date, 2021". The revised date should be "December 20, 2021", and the effective date should be "January 30, 2022".

Please do not hesitate to contact me if I may be of further assistance.

Sincerely,

FOR THE ATTORNEY GENERAL

/s/ John August Lizza
