RE: Tracking Number: 2022-00141
Revision to Colorado Overtime and Minimum Pay Standards Order
(COMPS Order) #38
Rule 2.4.9 and Appendix A, 7 CCR 1103-1

Dear Ms. Griswold:

I have reviewed the corrections to the accompanying Rule 2.4.9 and Appendix A, and determined that the matters being corrected are nonsubstantive errors, and that the corrections are necessary to insure that the published rule and appendix and corresponding opinion conform to the adopted rule and appendix, pursuant to section 24-4-103(11)(d), C.R.S. (2021).

The corrections address a failure to use the correct punctuation in statutory citations (periods were used instead of hyphens), and typographical errors in which statutory subsections were omitted and an extra digit was added, in portions of the rule, adopted November 10, 2021, submitted under Tracking Number 2021-00634, specifically:

In Rule 2.4.9 (p. 12), the statutory citation "C.R.S. 8-6-101.5(b)" should be "C.R.S. 8-6-101.5(1)(b)"

In Appendix A (p. 21), the statutory citation "8.13.3-410" should be "8-13.3-410"

In Appendix A (p. 21), the statutory citation "8.13.35-202(c)" should be "8-13.5-202(1)(c)"

In Appendix A (p. 21), the statutory citation “8.13.5-203” should be “8-13.5-203”

Please do not hesitate to contact me if I may be of further assistance.

Sincerely,

FOR THE ATTORNEY GENERAL
