RE: Tracking Number: 2022-00173
Revision to Agricultural Labor Conditions Rules
Rules 3.5, 4.1, 4.2 and Appendix A, 7 CCR 1103-15

Dear Ms. Griswold:

I have reviewed the corrections to the accompanying Rules 3.5, 4.1, 4.2 and Appendix A, and determined that the matters being corrected are nonsubstantive errors, and that the corrections are necessary to insure that the published rules and corresponding opinion conform to the adopted rules, pursuant to section 24-4-103(11)(d), C.R.S. (2021).

The corrections address omissions of a parenthesis and subsection numbers, and capitalization errors, adopted January 31, 2022, submitted under Tracking Number 2021-00708, specifically:

Rule 3.5.3(B) – a parenthesis should be added after the word “safety.”

Rule 4.1 – a subsection number should be added as follows:

8-13.5-202(c) should be 8-13.5-202(1)(c)

Rule 4.2(B) – subsection numbers should be added as follows:

8-13.5-202(f) should be 8-13.5-202(1)(f)

8-13.5-202(e) should be 8-13.5-202(1)(e)

202(e) should be 202(1)(e)

Appendix A – three uses of the word “Subsection” and one of “Section” should be lowercase.

Please do not hesitate to contact me if I may be of further assistance.

Sincerely,

FOR THE ATTORNEY GENERAL

/s/ John August Lizza
