RE: Correction Request Tracking No. 2022-00315  
Agency – Public Utilities Commission  
4 CCR 723-2

Dear Secretary of State Griswold:

I have reviewed the correction to the accompanying 4 *Code of Colorado Regulations* (CCR) 723-2 and determined that the matter being corrected is nonsubstantive. Nonsubstantive corrections are permitted pursuant to section 24-4-103, C.R.S. (2021).

The Colorado Public Utilities Commission makes this filing to correct in 4 CCR 723-2 a typographical error in the formatting of a rule. Upon promulgation, the rule inadvertently had a carriage return included in the middle of it resulting in a subsection of the rule being split into two subsections. The resulting subsections did not make sense. This correction reunites the two subsections, including a deleted reference, and sets the rule back to what it was intended to be before the formatting error. It also updates the subsection numbering accordingly.

Please do not hesitate to contact me if I may be of further assistance.

Sincerely,

FOR THE ATTORNEY GENERAL

/s/ Alex J. Acerra
