RE: Attorney General Correction Letter – SOS Tracking No. 2022-00518.

Dear Secretary of State Griswold and Joanna:

This letter is in response to the Correction filing filed with the Colorado Secretary of State on August 30, 2022, regarding the Rules and Regulations for the Management and Control of Designated Ground Water, 2 CCR 410-1, under SOS Tracking No. 2022-00518. I conferred with my client regarding these corrections and it is my opinion that these corrections, which add the effective date of the Rule amendments to the header and Rules 7.5.6, 7.5.6.1, 7.5.6.2 and 14, are nonsubstantive and no hearing is required. Nonsubstantive corrections are permitted pursuant to section 24-4-103(11)(d)(II), C.R.S. Please reach out to me with any questions. Thank you!

Sincerely,

FOR THE ATTORNEY GENERAL
