RE: Correction to the Rules of the Colorado Board of Private Occupational Schools; 8 CCR 1504-1; Rule Opinion Correction; SOS Tracking No. 2022-00636

Dear Ms. Secretary:

Pursuant to section 24-4-103(11)(d)(II), C.R.S., the Colorado Board of Private Occupational Schools ("Board") requests a correction to a typographical/non substantive error in a fee amount charged to the public for transcripts in its most recently published rules. The fee amount charged for transcripts should reflect \$20.00 instead of \$30.00. This correction to the fee amount has been incorporated in SOS Tracking No. 2022-00636.

As the assistant attorney general representing the Board, I submit that the conditions specified in section 24-4-103(11)(d)(II) C.R.S. apply to these typographical and non-substantive rule changes, and request that the Secretary of State make the changes incorporated in SOS Tracking No. 2022-00636 in the Code of Colorado regulations. Thank you.

Sincerely,

s/Natalie L. Powell
