RE: Tracking Number: 2023-00330
Revision to Agricultural Labor Conditions Rules
Rule 5.2, 7 CCR 1103-15

Dear Ms. Griswold:

I have reviewed the corrections to the accompanying Rule 5.2, and determined that the matter being corrected is a nonsubstantive error, and that the correction is necessary to insure that the published rule and corresponding opinion conform to the adopted rule, pursuant to section 24-4-103(11)(d), C.R.S. (2022).

The correction addresses a typographical error made during rulemaking, to the rules adopted January 31, 2022, submitted under Tracking Number 2021-00708 (with a previous correction made under Tracking Number 2022-00173), specifically:

In Rule 5.2, **Rules 4.1.4, 4.3-4.4, and 4.6(A)** should be **Rules 4.1, 4.3-4.4, and 4.6(A)**.

Please do not hesitate to contact me if I may be of further assistance.

Sincerely,

FOR THE ATTORNEY GENERAL

/s/ John August Lizza
