RE: Tracking Number: 2023-00381
Revision to Telecommunications Services and Providers of
Telecommunication Services
Rule 2103(a)(XIV), 4 CCR 723-2

Dear Ms. Griswold:

I have reviewed the correction to the accompanying Rule 2103(a)(XIV), 4 *Code of Colorado Regulations* 723-2, and determined that the matter being corrected is a nonsubstantive error, and that the correction is necessary to ensure that the published rule and corresponding opinion conform to the adopted rule, pursuant to section 24-4-103(11)(d), C.R.S. (2022).

The correction addresses a failure to properly renumber portions of the rule, adopted July 3, 2017, submitted under Tracking Number 2016-00322. The Rule should be corrected to remove the language in strikethrough and include the underlined language as follows:

- (XIV) For each item identified in subparagraph ~~(XIV)~~(XIII) of this paragraph: an identification of the jurisdiction, summary of any applicable notification of a possible initiation or pending procedure, including the docket/proceeding, case, or file number, and, upon the request of the Commission or Commission staff, a copy of any written decision; and

A clean version is enclosed for publishing in the CCR pursuant to C.R.S. § 24-4-103(11)(d).

Please do not hesitate to contact me if I may be of further assistance.

Sincerely,

FOR THE ATTORNEY GENERAL

/s/ Wendy Rosati
