RE: Tracking Number: 2023-00414
Revision to Rules Regulating Gas Utilities
Rules 4005(a)(IV), (a)(XVI), (a)(XVII), and (a)(XV), 4 CCR 723-4

Dear Ms. Griswold:

I have reviewed the corrections to the accompanying Rule 4005(a), 4 *Code of Colorado Regulations* 723-4, and determined that the matters being corrected are nonsubstantive errors, and that the corrections are necessary to ensure that the published rules and corresponding opinion conform to the adopted rule, pursuant to section 24-4-103(11)(d), C.R.S. (2022).

The corrections address a failure to properly renumber portions of the rule, adopted March 16, 2023, submitted under Tracking Number 2021-00643, specifically:

- 4005(a)(IV) should reference 4206(f) instead of 4205(e);
- 4005(a)(XVII) should be deleted as it references the Gas Pipeline Safety rules which are now in 4 *Code of Colorado Regulations* 723-11; and
- Renumbered 4005(a)(XVI) and 4005(a)(XV) should be updated to reflect the removal of 4005(a)(XVII) by moving the "and" to (XV) and adding a period after (XVI).

A clean version is enclosed for publishing in the CCR pursuant to § 24-4-103(11)(d), C.R.S. (2022).

Please do not hesitate to contact me if I may be of further assistance.

Sincerely,

FOR THE ATTORNEY GENERAL

/s/ Lindsey Dundas
