RE: SOS Correction Tracking Number 2024-00283
Revision to 12 CCR 2509-4, Sections 7.304.65

Dear Secretary Griswold,

I reviewed the corrections to the accompanying rule revisions and determined the matters being corrected are non-substantive typographical errors and that the corrections are necessary to ensure the published rule and corresponding opinion conform to the adopted rules, pursuant to section 24-4-103(11)(d), C.R.S. (2023).

The corrections address typographical errors in the rule originally submitted under SOS Tracking Number 2024-00058. Currently, there are two sections numbered 7.304.65. The section added through SOS Tracking number 2024-00058 was 7.304.65 RESTRICTING OR SUSPENDING FAMILY TIME, and there was already an existing section 7.304.65 titled "Administrative Review." The subsection numbering has been corrected to read "Section 7.304.641 RESTRICTING OR SUSPENDING FAMILY TIME" and section 7.304.65 "Administrative Review" will remain unchanged. Additionally, an internal reference to the errantly numbered section has been changed at Section 7.311.2.A.3 to reference the renumbered section 7.304.641. These corrections are non-substantive because they correct errors without changing the meaning of the rule and are consistent with the rule as presented to and passed by the State Board of Human Services.

Sincerely,

FOR THE ATTORNEY GENERAL
