### Statement of Basis and Purpose

Pursuant to 22-43.7-106(2)(i)(II) C.R.S. the Public School Capital Construction Assistance Board (Assistance Board) shall provide a copy of any proposed Assistance Board rule to the State Board on or before the date on which the Assistance Board issues a notice of proposed rule-making. On August 1, 2016 the notice of proposed rulemaking was issued and the proposed Public School Facility Construction Guidelines were submitted to the State Board of Education.

Revisions have been made to the permanent rules on the subject of the Public School Facility Construction Guidelines 1 CCR 303(1) regarding specific dates for documents that are incorporated by reference, and to update current design parameters for mechanical, electrical, plumbing security and technology.

The Assistance Board will be holding a public rule-making hearing on September 28, 2016 at 201 E. Colfax Ave., Room 101, Denver, CO 80203, at 1:00 p.m., to accept the revisions and to hear comments from the public.
