8 CCR 1507- 12

PERSONS DEALING WITH FIREWORKS

STATEMENT OF BASIS, STATUTORY AUTHORITY, AND PURPOSE

Pursuant to Section 12-28-104, C.R.S., the Executive Director of the Colorado Department of Public Safety shall promulgate rules and regulations concerning the sale, transportation, storage, and use of fireworks. This rule is proposed pursuant to this authority and is intended to be consistent with the requirements of the State Administrative Procedure Act, Section 24-4-101, et seq., C.R.S.

The major purpose of this rule change is to update the rules in order to better align with the Department's statutory authority.

It was declared by the General Assembly that the establishment of minimum requirements and standards for licenses to sell, store, or use fireworks pursuant to Section 12-28-101, et seq., C.R.S. is necessary for the immediate preservation of the public peace, health and safety of Colorado citizens. The absence of implementing and updating rules to carry out the purpose of the statute would be contrary to this declaration. For these reasons, it is imperatively necessary that the proposed rules be adopted.
