8 CCR 1507-1

STATEMENT OF BASIS, STATUTORY AUTHORITY, AND PURPOSE

Pursuant to §42-4-235 (4) (a) (I), CRS, the Chief of the Colorado State Patrol has the authority to promulgate rules and regulations regarding the minimum operating standards for commercial vehicles within the state of Colorado.

Amendments being proposed to 8 CCR 1507-1 include:

- Adopting updated editions of the FMCSRs and CVSA Inspection and Out-of-Service Criteria;
- Updating references to websites and other applicable sections of the Colorado State Patrol;
- Further clarifying requirements related to appeals of Civil Penalties; and
- Updating references for all incorporated or adopted guidelines, publications and standards, and any applicable statutes.

It has been declared by the General Assembly that the safe operation of commercial vehicles is a matter of statewide concern. The absence of implementing rules to carry out the purpose of the statutes is contrary to the public health, peace, safety, and welfare of the state. For these reasons, it is necessary that these proposed amendments are adopted.
