**B. Combination Big Game/Annual Fishing Licenses for Nonresidents**

- Big game licenses issued to non-residents shall be issued as combination Big Game/Annual Fishing licenses, and for each such combination license purchased each year by a nonresident \$10 of the above license fee shall be allocated to the fishing portion of such combination license.

**Basis and Purpose:**

**Discounting nonresident black bear, resident black bear, youth black bear, nonresident mountain lion and nonresident antlerless elk licenses**

Following the passage of the Hunting, Fishing, and Parks for Future Generations Act (SB 18-143), the Colorado Parks and Wildlife Commission has the authority to adjust most wildlife licenses annually with the Consumer Price Index (CPI). While most resident and nonresident wildlife license fees may now be adjusted based on CPI, discounts have also been retained for nonresident black bear, resident black bear, youth black bear, nonresident mountain lion, and nonresident antlerless elk licenses to continue incentivizing the purchase of these licenses.

The statements of basis and purpose for these regulations can be obtained from the Colorado Division of Parks and Wildlife, Office of the Regulations Manager by emailing [dnr\\_cpw\\_planning@state.co.us](mailto:dnr_cpw_planning@state.co.us). The statements of basis and purpose are not available at the Division of Parks and Wildlife headquarters due to the closure of these facilities to the public in light of the COVID-19 pandemic.
