STATEMENT OF BASIS AND PURPOSE

Summary of the basis and purpose for new rule or rule change.

*Explain why the rule or rule change is necessary and what the program hopes to accomplish through this rule. **1500 Char max***

The Colorado Commission for the Deaf, Hard of Hearing, and DeafBlind's Communications Technology Program (CTP) was established in 2002. Under the Federal "Americans with Disabilities Act," Colorado has a duty to provide the deaf, hard of hearing and deafblind equivalent access to governmental services. This is accomplished by the dissemination of communications technology in the form of amplified and captioned phones, cellular devices, such as smartphones, flip phones and tablets, ring signalers and amplified tools, as well as specialized communications technology for deafblind through a federal grant.

The proposed rule changes are necessary to update 27.130 ELIGIBILITY FOR THE COMMUNICATIONS TECHNOLOGY PROGRAM, Section F, in order for the numbers to reflect the current year's (2023) Federal Poverty Guidelines. The 2023 poverty guidelines will be posted the week of January 16-20, 2023.

An emergency rule-making (which waives the initial Administrative Procedure Act noticing requirements) is necessary:

- to comply with state/federal law and/or
- to preserve public health, safety and welfare

Justification for emergency:

Federal Poverty Guidelines for 2023 will be announced between January 16-20, 2023, effective immediately. CDHS regulations contain reference to the 2022 figures and need to be adjusted to comply with federal law.
