Administrative Correction

5 CCR 1002-93

5 CCR 1002-93 Correction:

Upon review of the adopted document and current rule, a numbering error was found in the Statement of Basis and Purpose sections, as 93.15 was listed two different times. This correction fixes this issue and correctly renumbers the incorrect Statement of Basis and Purpose sections. This correction is non-substantive and improves understanding and readability.
