The loss of possession of the licensed premises by the licensee does not in itself automatically invalidate, cancel or terminate the underlying license. An applicant who otherwise comes into possession of the licensed premises by operation of law, may apply for a transfer of the underlying license as provided by law pursuant to section 44-3-303, C.R.S. This provision does not prohibit a licensing authority from initiating any action as provided by law to suspend or revoke a license for loss of possession of the licensed premises.

G. No application for a transfer of ownership may be received or acted upon by either the state or local licensing authority if the previous licensee has surrendered its license and had it canceled by either authority prior to submission of the transfer application. In cases where cancellation has occurred prior to the submission of a transfer of ownership application, the license applicant shall follow the procedures for a new license application pursuant to section 44-3-311, C.R.S.

Regulation 47-312. Change of Location.

Basis and Purpose. The statutory authority for this regulation includes, but is not limited to, subsections 44-3-103, 44-3-202(1)(b), 44-3-202(2)(a)(I)(A), 44-3-202(2)(a)(I)(D), 44-3-202(2)(a)(I)(R), 44-3-301(9), 44-3-309, and 44-3-410, C.R.S. The purpose of this regulation is to establish procedures for a licensee requesting to change the location of the licensed premises, and provide factors the licensing authority must consider when evaluating a change for approval or rejection.

A. When a licensee desires to change the location of its licensed premises from the location named in an existing license, it shall make application to the applicable licensing authorities for permission to change location of its licensed premises, except that an application for change of location shall not be required for the demolition and reconstruction of the building in which the original licensed premises was located.

B. Applications to change location shall be made upon forms prepared by the state licensing authority and shall be complete in every detail. Each such application shall state the reason for such change, and in case of a retail license, shall be supported by evidence that the proposed change will not conflict with the desires of the adult inhabitants and the reasonable requirements of the neighborhood in the vicinity of the new location.

1. An application to change the location of a retail license shall contain a report of the local

licensing authority of the town, city, county, or city and county in which the license is to be exercised. Such report shall describe the findings of the local licensing authority concerning the reasonable requirements of the neighborhood and the desires of the adult inhabitants with respect to the new location, except that pursuant to section 44-3-312(2)(a), C.R.S., the needs of the neighborhood shall not be considered for a change of location for a club license.

2. When a licensee is required by lease, lease renewal, condemnation, or reconstruction to move its licensed premises to a new address that is located within the same shopping center, campus, fairground, or similar retail center, the local or state licensing authority may, at its discretion, waive the neighborhood needs and desires assessment requirements should it determine that the new location remains within the same neighborhood as the old location.
- C. For retail licenses, no change of location shall be permitted until the state licensing authority has, after approval of the local licensing authority, considered the application and such additional information as it may require, and approved of such change. The licensee shall, within sixty (60) days of approval, change the location of its licensed premises to the place specified therein. Once at the new location, the licensee shall no longer conduct the manufacture or sale of alcohol beverages at the former location. A local licensing authority may, at its discretion, extend the time to change the location of the licensed premises, for good cause shown. However, no extension that is beyond twelve (12) months from the original date of approval shall be granted.
- D. For those licensees not subject to approval by the local licensing authority, no change of location shall be permitted until the state licensing authority has considered the application and such additional information as it may require, and approved of such change. The licensee shall, within sixty (60) days of approval, change the location of its licensed premises to the place specified therein. Once at the new location, the licensee shall no longer conduct the manufacture or sale of alcohol beverages at the former location. The state licensing authority may, at its discretion, extend the time to change the location, for good cause shown. However, no extension that is beyond twelve months from the original date of approval shall be granted.
- E. Once the licensee has changed the location of its licensed premises, the permit to change location shall be conspicuously displayed at the new location, immediately adjacent to the license to which it pertains until the license is renewed.
- F. For retail licenses no change of location shall be allowed except to another location within the same city, town, county, or city and county in which the license was originally issued. Except, a retail liquor store licensed on or before January 1, 2016, may apply to move its permanent location to another place within or outside the municipality or county in which the license was originally granted. Once approved, the retail liquor store licensee shall change the location of its premises within three (3) years after such approval.
1. A change of location for a fermented malt beverage and wine retailer or retail liquor store will be approved only if the new location satisfies the distance requirements in section 44-3-301(9)(a)(I)(B)-(C), C.R.S.
 2. It is unlawful for a licensee to sell any alcohol beverage at a new location until permission is granted by the state licensing and local licensing authorities.
- G. Upon application for change of location, public notice shall be required by the local licensing authority in accordance with Section 44-3-311, C.R.S.
- H. A licensee located within 500 feet from any public or parochial school or principal campus of any

college, university or seminary may apply for a change of location within the same prohibited area in accordance with the requirements of section 44-3-301(9), C.R.S., but may not apply for a change of location within any other prohibited area as defined within section 44-3-313, C.R.S.

- I. A licensee that is in lawful possession of its alcohol beverage inventory at the time it receives approval from the local and state licensing authorities to change the location of its licensed premises, may continue to possess its alcohol beverage inventory for sale at the new location.

2. That is upon the licensed premises and not accessible to consumers; and

3. Is secured by a locking mechanism at all times while any open containers of unconsumed alcohol beverages are stored for use at a future tasting.
- C. The statutory authority for this regulation includes, but is not limited to, subsections 44-3-103, 44-3-202(1)(b), **44-3-202(2)(a)(I)(A)**, 44-3-202(2)(a)(I)(B), 44-3-202(2)(a)(I)(J), and 44-3-202(a)(I)(R), C.R.S. The purpose of this regulation is to define the difference between a licensee/owner and a manager, and to clarify the allowable method of payment to the manager.

- A. Each license under the **Colorado-Liquor Code** or the **Beer and Wine Codes** must be held by the owner of the establishment. "Owner" means the person or persons whose proprietary interest is such that they bear risk of loss other than as an insurer, and have opportunity to gain profit from operation or sale of the establishment.

In determining who is the "owner", elements considered other than risk of loss and opportunity for profit will include, but are not limited to: who has the right of possession of the licensed premises, who controls the licensee, who guarantees its debts, who is beneficiary under its insurance policies, who acknowledges liability for federal, state or local taxes.
- B. Owners may hire managers, and managers may be compensated on the basis of profits made, gross or net. In such cases, (except through an I.R.S. qualified retirement account), the financial interests of the manager(s) must be reported on the forms prescribed by the Division. The manager may be required to complete an individual history report and be subject to a background check. A license may not be held in the name of the manager.

Regulation 47-322. Unfair Trade Practices and Competition.

Basis and Purpose. The statutory authority for this regulation includes, but is not limited to, subsections 44-3-102, 44-3-103, 44-3-201(1), 44-3-202(1)(b), 44-3-202(2)(a), 44-3-202(2)(a)(I)(A), 44-3-202(2)(a)(I)(C), 44-3-202(2)(a)(I)(G), 44-3-202(2)(a)(I)(R), 44-3-308, and 44-4-102, C.R.S. The purpose of this regulation is to establish certain permitted and prohibited trade practices between suppliers and retailers in order to clarify and prevent statutorily prohibited financial assistance between tiers.

Suppliers and their agents or employees may not attempt to control a retail licensee's product purchase selection by engaging in unfair trade practices or competition.

Nothing in this regulation shall apply to non-profit, charitable, or other qualifying organizations, when such organization conducts licensed events pursuant to the requirements contained in article 5 of title 44 and related regulations, and such organization does not otherwise hold a retail license pursuant to article 3 or 4 of title 44. However, nothing herein shall authorize any financial assistance for the purpose of altering or influencing an organization's product selection for said events.

Retailers may not accept any prohibited financial assistance as described herein, and suppliers are prohibited from directly or indirectly engaging in the following unfair practices:

A. Sales of alcohol beverages.

1. No vinous or spirituous liquor may be sold by a vinous or spirituous liquor manufacturer or wholesaler to a retail licensee below the laid-in cost of said vinous and spirituous liquor products.
2. No malt liquors or fermented malt beverages may be sold by a malt liquor/beverage manufacturer or wholesaler to a retail licensee below the laid-in cost of said malt liquor/beverage products.
3. Product cost per case will be determined utilizing a "Last In/First Out" basis unless a supplier has adequate records to verify that the actual cost of said products was less than the most recent shipment received.
4. A wholesaler's laid-in cost is defined as the actual proportionate invoice price and freight charge to that wholesaler or distributor, plus applicable state and federal taxes of any given product. An in-state manufacturer's laid-in cost is defined as the actual costs of the manufacturer, plus applicable state and federal taxes.
5. Certain sales of alcohol beverages below cost are not designed or intended to influence or control a retailer's product selection. The following exceptions to below cost product sales are therefore permitted:
 - a. Product lines that will be discontinued by a supplier for a minimum of at least one year may be sold below cost at market value.
 - b. A wholesaler's aged inventory of vinous and spirituous liquors for which the current market value has fallen substantially below the wholesaler's original purchase cost, after a period of twelve (12) months, and for which a recovery of the original cost through an increase in market value is unlikely. For aged inventories sold to retailers below their cost due to market-below-cost

conditions, wholesalers shall maintain the following records for a minimum of three years:

- i. Original purchase invoice.
 - ii. Aged inventory schedule verifying slow sales and drop in market value.
 - iii. Other factors that had an effect on a decrease in market value (e.g. overproduction, poor media critique).
 - c. Products for use, but not for resale by the drink, by a non-profit organization or similar group, as defined in section 44-5-102, C.R.S., on a retailer's licensed premises, may be invoiced to a retailer at no cost. The invoice for said products must detail the products provided and the group for whose benefit it is provided. At the conclusion of the organization's event any unused product must be returned to the wholesaler, brew pub, distillery pub, or vintner's restaurant, or invoiced at a minimum of laid-in cost to the retailer.
6. Suppliers authorized to sell alcohol beverages to licensed retailers pursuant to articles 3 or 4 of title 44, may offer product discounts to licensed retailers that meet the requirements of paragraph A, and the following additional conditions:
- a. "Product Discount" shall mean a price reduction negotiated between supplier and retailer before the sale and delivery of alcohol beverage products, and where a description of the products subject to discount, and the dollar amount of the discount, is finalized and recorded in the supplier's sales records.
 - b. Discount programs are not subject to time limitations, and any discount program that will affect more than a single sales transaction and sales invoice are permitted, provided that no invoice, by itself, reflects a zero cost or below-cost sale.
 - c. Product discounts that are conditioned upon a retailer's commitment to prominently display the supplier's products are prohibited.
7. Any rebate, whereby a monetary value is returned by a supplier to a retailer, in cash, account credit, or free goods, as a reward or compensation for meeting a pre-specified purchase goal, is prohibited.
8. Suppliers authorized to sell alcohol beverages to licensed retailers pursuant to articles 3 or 4 of title 44, may offer account credits to licensed retailers under the following conditions:
- a. Any account credit offered on previously issued sales invoices must be in direct relation to previous product purchases, lawful returns pursuant to this regulation or other legitimate commercial transactions as authorized under articles 3 or 4 of title 44, C.R.S. and related regulations.
 - b. Credits that cannot be connected with authorized business transactions, as described herein, will be considered unlawful financial assistance, and are therefore prohibited.
 - c. Both the seller and retail licensee shall maintain copies of sales invoices and evidence of payment related to the transactions described in this section, in accordance with 44-3-701, C.R.S., and for the time frame specified in

Regulation 47-700.

9. Wholesaler invoices provided to retail liquor store, fermented malt beverage **and wine retailer off-premises**, and liquor licensed drugstore licensees must clearly designate a price paid for each product, which shall not be less than the wholesaler's laid-in cost of each product. At no point may a retail liquor store, fermented malt beverage **and wine retailer off-premises**, or liquor licensed drugstore licensee receive any products from a wholesaler at less than laid-in cost.
- B. On-site sales promotions
1. Suppliers may conduct an on-site product sales promotion at a retailer's licensed premises subject to the following conditions:
 - a. Free goods of any value may be provided to the public, provided that a supplier's representative or authorized agent, who is not the retailer or a retail employee/agent, is physically present to award free goods to the public. Suppliers shall not require a customer purchase in order for the customer to receive the free goods.
 - b. If only consumer advertising specialties, as described in Regulation 47-316(A), are to be provided at the promotion, neither suppliers or their agents need be present for their distribution.
 - c. Suppliers are prohibited from providing anything other than the items specified in Regulation 47-316(A) to retailers or their employees at on-site product sales promotions.

 - e. Retailers may at their own cost advertise in advance a supplier's product sales promotion.
 - f. No supplier may require that a retailer change its product selection as a condition of conducting a product sales promotion. Retailers may at their option change their product selection in support of a product sales promotion.
 - g. Competitors' products may not be excluded during a product sales promotion.
 2. On-Premises Sampling. A supplier-sponsored consumer sampling of alcohol beverages may be held at a retailer's premises licensed for on-premises consumption for the purpose of product sales promotion under the following conditions:
 - a. A supplier-sponsored consumer sampling held at the licensed premises of a retailer licensed for on-premises consumption shall include only the alcohol beverages the retailer is licensed to sell.
 - b. The supplier shall only offer its alcohol beverage product to consumers during a supplier-sponsored consumer sampling.
 - c. A retailer or supplier shall not impose any charge to the consumer to enter or participate in the sampling.

- d. Product used for sampling must be invoiced by the supplier, who is authorized to sell the alcohol beverages to licensed retailers pursuant to article 3 or 4 of title 44, as if sold to the retailer.
 - e. If all product listed in the sales invoice is consumed as permitted herein, the supplier may issue the retailer a credit against the entire amount of the original invoice.
 - f. Any remaining product must be returned to the wholesaler, or sold to the retailer at a minimum of the wholesaler's cost.
 - g. The supplier must be present and shall be the person who provides the sample to a consumer who is twenty-one (21) years of age or older.
 - h. Suppliers may provide or pay for any media announcement of a supplier-sponsored consumer sampling that primarily advertises the product, the location, and the date and time of the sampling. The name of the retail outlet may also be mentioned.
3. Off-Premises Giveaway. A supplier-sponsored consumer giveaway of sealed malt liquor or fermented malt beverages may be held at a retailer's premises licensed for off-premises consumption for the purpose of product sales promotion under the following conditions:
- a. A supplier-sponsored consumer giveaway held at the licensed premises of a retailer licensed for off-premises consumption is limited to either sealed malt liquor or fermented malt beverages, whichever the retailer is licensed to sell.

- i. The maximum amount of malt liquor or fermented malt beverages given to each consumer shall not exceed twenty-six (26) ounces.

C. Sponsored events: Lawful Advertising

1. Suppliers may provide sponsorship fees to advertise at charitable or civic events that are temporary in nature, where the supplier's sponsorship fee affords the supplier exclusive signage rights at the retail premises, and where sponsorship proceeds are received directly by the charity or civic endeavor, and not by a licensed retailer.
2. Suppliers may provide a sponsorship fee to advertise in ballparks, resorts, racetracks, stadiums, concert venues or entertainment districts as long as such sponsorship fee is not paid to a person or entity holding a retail license at such venue, directly or indirectly, and is not intended to influence the product selection of such retailer. Good cause for a continuance normally will not include the following: unavailability of counsel because of engagement in another judicial or administrative proceeding, unless the other proceeding was involuntarily set subsequent to the setting in the present case; unavailability of a necessary witness, if the witness' testimony can be taken by telephone or by deposition; or failure of an attorney or a party timely to prepare for the hearing.

Such prehearing conferences will be held virtually or by telephone, unless otherwise ordered by the hearing officer.
2. Depositions. Depositions are generally not allowed; however, a hearing officer has discretion to allow a deposition if a party files a written motion and can show why such deposition is necessary to prove its case. When a hearing officer grants a motion for a deposition, C.R.C.P. 30 controls. Hearings will not be continued because a deposition is allowed unless (a) both parties stipulate to a continuance and the hearing officer grants the continuance, or (b) the hearing officer grants a continuance over the objection of any party in accordance with paragraphs (E)(2)(b) and (c) of this Regulation.

 - cC. Exhibits. A description of any physical or documentary evidence to be offered into evidence at the hearing. Exhibits should be identified as follows: Division using numbers and denied applicant or respondent using letters.
 - dD. Stipulations. A list of all stipulations of fact or law reached.

4. Prehearing Statements Binding. The information provided in a party's prehearing statement shall be binding on that party throughout the course of the hearing unless modified to prevent manifest injustice. New witnesses or exhibits may be added only if: (1) the need to do so was not reasonably foreseeable at the time of filing of the prehearing statement; (2) it would not prejudice other parties; and (3) it would not necessitate a delay of the hearing.
5. Consequence of Not Filing a Prehearing Statement Once a Hearing is Set. If a party does not timely file a prehearing statement, the hearing officer may impose appropriate sanctions including, but not limited to, striking proposed witnesses and exhibits.

G. Conduct of Hearings.

1. The hearing officer shall cause all hearings to be electronically recorded.
2. The hearing officer may allow a hearing, or any portion of the hearing, to be conducted in real time by telephone or other electronic means. 5. Court Rules.
 - aA. To the extent practicable, the Colorado Rules of Evidence apply. Unless the context requires otherwise, whenever the word "court," "judge," or "jury" appears in the Colorado Rules of Evidence, such word shall be construed to mean a hearing officer. A hearing officer has discretion to consider evidence not admissible under such rules, including but not limited to hearsay evidence, pursuant to section 24-4-105(7), C.R.S.
 - bB. To the extent practicable, the Colorado Rules of Civil Procedure apply. However, Colorado Rules of Civil Procedure 16 and 26-37 do not apply, although parties are encouraged to voluntarily work together to resolve the case, simplify issues, and exchange information relevant to the case prior to a hearing. Unless the context otherwise requires, whenever the word "court" appears in a rule of civil procedure, that word shall be construed to mean a hearing officer.

6. Exhibits.
 - aA. All documentary exhibits must be paginated by the party offering the exhibit into evidence.
 - bB. The Division shall use numbers to mark its exhibits.

A copy of this designation shall be served on all parties. Within ten days thereafter, any other party may also file a designation of additional parts of the transcript of the proceedings which is to be included and advance the cost therefore. No transcript is required if the review is limited to a pure question of law. A copy of this designation of record shall be served on all parties.
