

STATEMENT OF BASIS AND PURPOSE

The Health Care Credentials Application Review Committee, per C.R.S. § 25-1-108.7, hereby requests that the Colorado Health Care Professional Credentials Application be amended and that such amendments be approved by the Colorado State Board of Health effective October 30, 2011. The amendments and rationale for each is listed below for consideration at the monthly meeting of the Colorado State Board of Health scheduled for July 20, 2011.

- Effective date of the amended application will be October 30, 2011 as indicated throughout the application
- Page 12 of the application addresses previously indicated confusion and differentiates questions on the application posed to physicians versus allied health professionals for clarification regarding “certifications”.
- Page 20 question C adds the term “group practice” for additional information. Page 20 questions F and G include the term “misdemeanor” for clarification purposes due to the various degrees of misdemeanors that can overlap in severity with felonies.
- Pages 21, 23 and 25 include the notice “REMEMBER TO SAVE THE COMPLETED APPLICATION TO YOUR PERSONAL COMPUTER!” as a reminder to users to save their application for reference and future use because the information is not guaranteed to be saved by another source or by the state.
