#### **Statutory Authority**

CRS 23-8-103(4), 23-60-102(1) and (3), and 23-60-303.

#### **Statement of Basis and Purpose**

This Rule modifies Rule 6.6 to increase allowable disbursements to districts by 1% for Administrative Costs that each district can claim for operating CTE programs. Payments for FY13 would reflect this adjustment. This adjustment is necessary to cover the increase in Indirect Costs Rates (ICR) published by CDE for 2012-13. This increase in the administrative cost allowance will allow CCCS to meet the intent of the General Assembly and distribute categorical funding allocated for the career preparation of Colorado's future workforce.
