ED 20-11-16-A, Revision to the Executive Director of the Department of Health Care Policy and Financing Rule Concerning All-Payers Claims Database, Sections 10 CCR 2505-5, 1.200.1 and 1.200.2.A

Executive Director. As the Colorado All Payer Claims Database (CO APCD) Administrator, CIVHC began conversations with the submitters regarding the rule change in the fall of 2020. The goals of the proposed updates to the data submissions guide are outlined below:

- Improve the quality and completeness of submitted monthly Medical Claims (MC), Pharmacy Claims (PC), Member Eligibility (ME), and Medical Provider (MP) data in order to effectively affirm the integrity and credibility of the CO APCD;
- Improve the quality and completeness of the submitted annual alternative payment model (APM) data, including collecting qualitative information regarding the contractual alternative payment arrangement between the payer and its providers, to overcome current obstacles for reporting progress toward adoption of APMs and investment in primary care in Colorado.

The statutory authority for this rule change is contained in Sections 25.5-1-204(9), C.R.S. and 25.5-1-108, C.R.S. (2020).

Our mission is to improve health care access and outcomes for the people we serve while demonstrating sound stewardship of financial resources.
