

STATE OF COLORADO  
DEPARTMENT OF THE TREASURY

**Walker R. Stapleton**  
State Treasurer

**Brett J. Johnson**  
Deputy Treasurer

November 7, 2012

To Whom it Concerns,

As required by statute, the purpose of this memo is to discuss the Department of Treasury's 2013 Regulatory Agenda.

Senate Bill 12-150, codified in part as section 24-36-121, C.R.S., authorizes the State Treasurer to promulgate by rule, a state public financing policy and to act as the centralized issuing manager for certain financial obligations of the State of Colorado. A summary of the current rules promulgation process is listed below:

- August 22, 2012: Treasurer's Office files emergency rules
- September 14, 2012: Treasurer's Office files permanent rules
- October 16, 2012: Hearing was held for the State Public Financing Policy
- October 25, 2012: Rules were adopted
- November 14, 2012: The filing date for the AG Opinion to the Secretary of State
- November 25, 2012: Rules are to be published in the Colorado Register
- December 15, 2012: Expected effective date for rules

The Treasurer's Office has worked with many stakeholders on the State's first state public financing policy. Because it views these rules as an evolving process, we have not identified a specific date to hold any anticipated official hearing dates.

Sincerely,

A handwritten signature in blue ink that reads "Brett Johnson".

Colorado Deputy Treasurer
