## NOTICE OF CHANGE TO RULEMAKING HEARING DATE

From: Jacqueline Arcelin, Licensing and Enforcement Manager, Mental Health Programs

Re: Modification to existing posted rulemaking date for Licensed Professional Counselors

Due to issues with board member attendance, our rulemaking hearing scheduled for December 6, 2011 at 10:00 am (tracking # 2011-00803) could not take place. We must have at least four board members in attendance for a quorum and we only had three.

We will be holding the rulemaking hearing on Tuesday, December 13, 2011 at noon. It will be at 1560 Broadway, in Conference Room 1250C.
