

STATEMENT OF SUFFICIENCY
Proposed Initiative 2013-2014 #5

October 14, 2013

On September 30, 2013, the proponents and designated representatives of Proposed Initiative 2013-2014 #5, "Definition of Person and Child," submitted 140,049 petition signatures to the Secretary of State. After reviewing a five-percent random sample of the submitted signatures, the Secretary of State projected the number of valid signatures to be greater than 110 percent of the total number of signatures required for placement on the ballot.

Random sample verification summary:

Total number of qualified signatures submitted	140,049
5% of qualified signatures submitted (random sample)	7,003
Total number of entries accepted (valid) from the random sample	5,481
Total number of entries rejected (invalid) from the random sample	1,522
Number of projected valid signatures from the random sample	109,612
Total number of signatures required for placement on ballot	86,105
Projected percentage of required valid signatures	127.30%

Because the random sample verification established that the projected number of valid signatures totals 127.30 percent of the amount required for placement on the ballot, Proposed Initiative 2013-2014 #5 is sufficient and will be certified to the 2014 general election ballot.

Dated October 14, 2013.
