

*Be it Enacted by the People of the State of Colorado:*

**SECTION 1. Statement of Intent.** (1) It is the intent of the People of the State of Colorado in enacting this initiative to eliminate the waiting lists for the continuum of long-term services for persons who, through no fault of their own, have developmental disabilities, including Autism, Cerebral Palsy, Down Syndrome and Mental Retardation. Long term health care services and supports at a minimum could include a place to live, help with daily living tasks, early intervention care, nursing services, training and employment. Providing funding to end Colorado's waiting lists for children and adults with developmental disabilities will enable them to receive the necessary supports to live with dignity and be fully included in community life.

(2) As of November 2007 more than twelve thousand children and adults who have developmental disabilities were on waiting lists for long-term health care services and supports. Many of these children and adults wait more than ten years before receiving care. Many individuals need almost constant guidance and assistance due to behavioral or mental health problems, a lack of adaptive skills, major medical issues, and absence of family support. Further, many need assistance to eat, dress, bathe or use the bathroom. Some cannot speak or read and are seriously limited in their ability to express their needs. Still others are young children with autism who cannot access early intervention services that are so desperately needed and proven to be effective. Many of these children and adults and the families who care for them are at the point of an acute crisis due to their unfulfilled needs. The state does not provide back-up options for those in crisis, leaving many with no help at all.

(3) The People find the current circumstances unacceptable and do hereby enact a slight increase in the rate of the state sales and use tax – an amount equal to one or two pennies on a ten dollar purchase – to be phased in over a two-year period. The People acknowledge that current system infrastructure is insufficient to address the needs of all those on the waiting lists. A phased-in increase of revenue will allow time to build capacity in the current system to better serve those in need. It is the intent of the People that the revenues generated by this initiative be used to serve additional persons with developmental disabilities except in the event of a declaration of a state fiscal emergency as provided herein.

Dear Ms. Rosanova and Ms. Rymer:

Pursuant to section 1-40-105 (2), C.R.S., we hereby notify you that the above proposed measure does not raise any additional comments from our offices that have not been raised in earlier memoranda or hearings on your proposed measures on this topic. Section 1-40-105 (2), C.R.S., provides in part:

**1-40-105. Filing procedure - review and comment - amendments - filing with secretary of state.** (2) . . . If the directors have no additional comments concerning the amended petition, they may so notify the proponents in writing, and, in such case, a hearing on the amended petition pursuant to subsection (1) of this section is not required.

Rule 12 of the *Rules for Staff of Legislative Council and Office of Legislative Legal Services: Review and Comment Filings*, adopted by the Legislative Council on September 6, 2000, requires that such determination and notification be made no later than 72 hours after the filing. Your measure was received by our office on May 7, 2008.

This letter serves as the written notice required by section 1-40-105 (2), C.R.S. It is our understanding that pursuant to that section, no review and comment hearing pursuant to section 1-40-105 (1), C.R.S., is required.

Very truly yours,

Charles W. Pike, Director
