Initiative 19 ORIGINAL

**ELECTIONS
SECRETARY OF STATE**

To ensure the state's economic prosperity and maximize its effectiveness, the General Assembly shall have the power to appropriate all general funds, above prior fiscal year general fund revenues, to state departments, agencies and programs, or for any other funding need, in its discretion, notwithstanding any previous enactment to the contrary.

The will of the people of Colorado shall be affirmed through a popular vote, in keeping in compliance with the Taxpayer's Bill of Rights.

The proponents for this initiative proposal include:

Josh Cunningham
