

Be it Enacted by the People of the State of Colorado:

Section 1.

Article XI, section 3 is repealed and re-enacted to read, as stated in the original constitution: "The state shall not contract any debt by loan in any form."

Sections 4, 5, 6(2), and 6(3) are repealed as obsolete and superseded.

Section 6 (1) is repealed and re-enacted as section 6 to read: "Without voter approval, no political subdivision of the state shall contract any debt by loan in any form. The loan shall not be repealed until such indebtedness is fully paid or discharged. The ballot title shall specify the use of the funds, which shall not be changed."

Section 2.

Article X, section 20 is amended to add:

(4)(c) After 2010, the following limits on borrowing shall exist:

(i) The state and all its enterprises, authorities, and other state political entities shall not borrow, directly or indirectly, money or other items of value for any reason or period of time. This ban covers any loan, whether or not it lasts more than one year; may default; is subject to annual appropriation or discretion; is called a certificate of participation, lease-purchase, lease-back, emergency, contingency, property lien, special fund, dedicated revenue bond, or any other name; or offers any other excuse, exception, or form.

(ii) Local districts, enterprises, authorities, and other political entities may borrow money or other items of value only after November voter approval. Loan coverage in (i) applies to loans in (ii). Future borrowing may be prepaid without penalty and shall be bonded debt repaid within ten years. A non-enterprise shall not borrow if the total principal of its direct and indirect current and proposed borrowing would exceed ten percent of assessed taxable value of real property in its jurisdiction.

(iii) No borrowing may continue past its original term. All current borrowing shall be paid. Except enterprise borrowing, after each borrowing is fully repaid, current tax rates shall decline as voter-approved revenue changes equal to its planned average annual repayment, even if not repaid by taxes. Such declines do not replace others required. Future borrowing is void if it violates this paragraph (c), which shall be strictly enforced. Conflicting laws, rulings, and practices are repealed, overturned, and superseded.
