

Be it Enacted by the People of the State of Colorado:

Title 39, article 25 of the Colorado Revised Statutes

Government revenue limits

(1) Enforcement. This voter-approved revenue change shall be strictly enforced to limit government revenue. It is self-executing, severable, and a matter of statewide concern that overrides conflicting statutes and local laws. Prevailing plaintiffs only shall have their legal fees and court costs repaid. The state shall verify local conformity yearly, and refund all revenue violating this reform to reduce unfair, complex charges on common basic needs.

(2) Vehicle. Starting January 1, 2011: (a) All annual specific ownership taxes shall decrease in four equal yearly steps to: New vehicles, \$2; and other vehicles, \$1. All state and local taxes shall cease on vehicle rentals and leases, and on \$10,000, reached in four equal yearly steps, of sale prices per vehicle. Sale rebates are not taxable. (b) All registration, license, and title charges combined shall total \$10 yearly per vehicle. Except those charges, and tax, fine, toll, parking, seizure, inspection, and new plate charges, all state and local government charges on vehicles and vehicle uses shall cease. Except the last six specific charges, all added charges shall be tax increases.

(3) Income. The 2011 income tax rate shall be 4.5%. Later rates shall decrease 0.1% yearly, until reaching 3.5%, in each of the first ten years that yearly income tax revenue net growth exceeds 6%. To offset decreases, the state should repeal income tax credits not for required refunds. The alternative minimum tax is repealed.

(4) Telecommunication. Starting January 1, 2011, except 911 fees at 2009 rates, no charge by, or aiding programs of, the state or local governments shall apply to telephone, pager, cable, television, radio, Internet, computer, satellite, or other telecommunication service customer accounts. All added charges shall be tax increases.
