COLORADO TITLE SETTING BOARD

Colorado Secretary of State

THE MATTER OF THE TITLE AND BALLOT TITLE SUBMISSION CLAUSE FOR
INITIATIVE 2015-2016 #116

MOTION FOR REHEARING

Natalie Menten, a registered elector of the State of Colorado, through undersigned counsel, hereby submits this Motion for Rehearing on Initiative #116 and objects to the Title Board's title and ballot title and submission clause set for Initiative 2015-2016 #116 ("Initiative 116") as Initiative 116 does not comply with the Single Subject rule. As grounds therefore she states as follows:

A. The Title Board set a title for Initiative 2015-2016 #116 on April 6, 2016.

At the hearing on the proposed Initiative 116, the Board designated and fixed the following ballot title and submission clause:

Shall there be a change to the Colorado Revised Statutes permanently authorizing the state to retain and spend all state revenues that exceed the constitutional limitation on state fiscal year spending, and, in connection therewith, dedicating specified percentages of any revenues retained to fund education and transportation projects and allowing the state to use remaining revenues retained for the same purposes and to fund mental health services and senior services?

B. Initiative 116 violates Colo. Const., art. V, sec. 1(5.5).

1. Contrary to the requirements of the Colorado Constitution, art. V, sec. 1(5.5), Initiative 116 contains multiple subjects. The express purpose of the Single Subject rule is "[t]o forbid the treatment of incongruous subjects in the same measure, especially the practice of putting together in one measure subjects having no necessary or proper connection, for the purpose of enlisting in support of the measure the advocates of each measure, and thus securing the enactment of measures that could not be carried upon their merits." C.R.S. § 1-40-106.5(1)(e)(I).

2. The standard is whether the various purposes specified are "necessarily or properly connected to each other," rather than "disconnected or incongruous." In re Title, Ballot Title and Submission Clause, and Summary for 1999-2000 No. 25, 974 P.2d 458, 462 (Colo. 1999).

3. The Colorado courts have noted that the practice of including various unrelated items “for the purpose of enlisting in support of such bill the advocates of each measure, and thus securing the enactment of measures that could not be carried upon their merits, was undoubtedly one of the evils sought to be eradicated.” Matter of Title, Ballot Title, Submission Clause, and Summary Adopted April 5, 1995, by Title Board Pertaining to a Proposed Initiative Public Rights in Waters II, 898 P.2d 1076, 1079 (Colo. 1995) (quoting *Catron v. County Comm’rs*, 18 Colo. 553, 557, 33 P. 513, 514 (1893)).

4. Despite the title language “in connection therewith” there is no actual connection between authorizing the State to retain revenues and “education,” “transportation projects,” “mental health services” or “senior services.” The language could just as easily prioritize any other budgetary purposes or none at all. However, as politicians often do, the proponents have explicitly prioritized these interests as they have broad and varying appeals to potential petition signers and voters. This is a clear example of a practice that Colorado’s Single Subject rule seeks to eliminate.

WHEREFORE, the titles set April 6, 2016 should be reversed, due to the single subject violations addressed herein, or modified to account for the legal insufficiencies highlighted in this Motion for Rehearing.

RESPECTFULLY SUBMITTED this 13th day of April, 2016.
