MOTION FOR REHEARING ON PROPOSED INITIATIVE 2019-2020 #99

---

On behalf of Carol Hedges and Steve Briggs, representatives of the proponents of Proposed Initiative 2019-2020 #99, undersigned counsel hereby submits this Motion for Rehearing on said Initiative pursuant to Section 1-40-107, C.R.S. (2018), and as grounds therefore states as follows:

The Ballot Title Setting Board denied the setting of a title for Proposed Initiative 2019-2020 #99 on the grounds that it does not constitute a single subject. Proponents respectfully submit that the measure does contain a single subject as presented at the June 5, 2019, Title Board hearing, and, therefore, request a rehearing on that issue.

Respectfully submitted this 11th day of June, 2019.
